

AGRONOMIC SERVICES

GROW
TEAM

The Grow Team at Prairie Co-op wants your farm to be successful. As a valued member of Prairie Co-op, our Grow Team provides essential field scouting and agronomic advice that farmers need all year, AT NO COST.

Our dedicated team will provide spring weed scouting and recommendations, insect and disease scouting all summer, and fall pre- and post-harvest weed recommendations. Your farm's history of purchases, crop plans and scouting reports are available to members via Tronia Agrē – Grower Central.

Farming is a tough business, and your Grow Team is with you every step of the way. They are available year-round for advice and support.

Here are some of the services our Team provides:

- ✓ **Assist with crop plans** – sit down with member to go over last year's results and help make plans for next year's crop.
- ✓ **Co-ordinate soil sampling** – we use Decisive Farming to conduct soil sampling for our members. We will also help explain the soil sample analysis when they come back.
- ✓ **Assist with creating Fertilizer blends** - based off Soil samples, past history and future plans. Our Agronomists can help tailor a fertilizer blend to meet your needs.
- ✓ **Spring weed scouting** – walk fields to stage or ID weeds for pre seed, pre-emergent and in crop herbicide application & recommendations.
- ✓ **Assist with CP product labels** – understanding rates, restrictions, water volumes, application timing and tank mixes.
- ✓ **Disease Scouting** – walk fields to stage crops for fungicide application & recommendations.
- ✓ **Insect Scouting** – walk fields to ID and evaluate insect pressure on all crops, so grower can make the best decision on whether or not to spray.
- ✓ **Fall Crop scouting** – pre-harvest staging, post-harvest staging, herbicide application & recommendations.
- ✓ **Advise on Crop staging** – for swathing or straight cutting.
- ✓ **Reports** – history of purchases, crop plans and scouting reports available to members via Tronia Agrē – Grower Central.
- ✓ **Grower Programs** – ensure members are enrolled in CP companies' grower programs.
- ✓ **Product Inquiries** – assist growers with product complaints.
- ✓ **Delivery of product**

Prairie

Build a plan for your farm's success, with advanced insights and tools from the Prairie Co-op Grow Team.
