

in partnership with

Prairie

# THE CHOICE IS SIMPLE

Pay an electrical bill forever, or make consistent solar payments that will end.

**MADE IN CANADA FOR CANADIAN WEATHER**

**DESIGNED, ENGINEERED, AND MANUFACTURED IN SASKATCHEWAN**

Prairie Co-op Home Centres in Melville, Fort Qu’Appelle, Ituna, and Cupar are happy to announce their partnership with the Sundial Energy Group, one of the largest solar providers in Canada. Prairie Co-op members can obtain a free solar study through this partnership and discover the savings obtainable by utilizing solar power.

### PLEASE CHOOSE A HOME CENTRE LOCATION:

- Melville Home Centre     Fort Qu’Appelle Home Centre     Ituna Farm Supply     Cupar Ag & Home
